GERMAN-AMERICAN CABLE. REBELS' LAST DITCH The Fresident and Secretary Hay

WASHINGTON, April 26.-- A signal evidence of the purpose of the United States to maintain friendly relations with Germany has been given in the favorable action of the president at the instance of Secretary Hay in approving the project for a new transatlantic cable running between Germany and the United States. The project was brought forward by prominent German-Ameri can interests and has had the active support of the German embassador here, Dr. von Holleben.

The details licate that the rebels are finnally making that place their last ditch, or stand, which the Americans expected them to make at Muiolos.

The fighting was resumed at 6 o'clock this morning. During the night the American engineers repaired the Bagbag bridge, thus enabling our troops to cross the river. Gen. Wheaton's brigade advanced in

xtended order, with the Kansas reginent west of the railroad and the Mon tanu men cost of it, and took up a position covering one and a half miles on the south bank of the Rio Grande. On he opposite bank were the fortified trenches from which a few American soldiers have been able to defy thous inds, so strongly were they constructed. The Americans found the trenches on the south bank of the river descried which furnished them with cover.

When the rebela began firing, two halfs of smoke simultaneously from the trenches on cach side of the railroad tracks showed they were using cannon. which was a genuine surprise to the Americans. Several shells burst close to Wheaton's staff, but it seemed that the Filipinos fuiled to master modern machinery, as they were unable to get the right range Young's Utah battery was ordered

into position in the centre of the Kausas regiment to silence the rebelgons, and by 11 o'clock the rapid firers had been ferried across the river and came into At noon the rebels were still pouring a heavy fire in the direction of the Ameri-

cans, who returned it spiritedly. Two Americans were killed and seven wound At about this time Gen. Hale's brigade is advancing east of the line apparently

to cross the river and attack the rebetrenches in flank as the Americans did vesterday. Gen. MacArthur has secured an order

issued by Aguinaldo to the rebel commanders, telling them to instruct their men to economize, especially in shells, and not fire at the enemy when the meter is under cover. The Filipinos were also instructed never to fire at a longer range than 150 meters, and when they have a river or other obstructions is front to hold the fire until within eighty meters, This order was issued after the recent

There is constant complaint against the dog nuisance in this city, and numerous starts are made to eradicate it. The police have had no special instructions in the matter, and they will not take any particular action until the ordinance which City Attorney Wiggins is drawing up is passed and put into effect. Then the responsibility for the free running of the army of worthless dogs will fall upon the police and they will do theirdnty.

There are a couple of worthless shepherd dogs which desert their cow fields and barn yards mornings to follow farm wagons to this city, and while the teams are tied in the streets the dogs show whatever ill-mannered traits they have. Middletown gave our last week's special offerings a royal reception. The enlarged store-how fine it looks. Customers congratulate us on all sides. It looks like a city store—it is a city store. If you were here last Saturday, and the chances are that you were (it so med as if all Middletown were here and glad of it), you must have noticed in the attendance the evidence of the UNIVERSALITY of this store. And we call attention with some pride to such an impouring of everybody from everywhere as Saturday's. This is a good store to spend dollars if you have them, and hundreds if you have them, but its an equally good store to spend pennies. There is no exclusiveness about Tompkins. It's for everybody and everybody seems to know it.
